

Dear Parish members,

Warning: There is now a texting scam to have parish members send money via iTunes gift cards. Thankfully, Manuel reached the real Father Ken before he made the purchase. Please do not fall for these or other scams for money. Father Ken would never do this, and please continue to have your money go into the collection envelopes, you will be helping the church and Father for sure.

Please feel free to contact the Parish Office if you have any questions, but never be concerned about the urgency the bad guys are trying to sell you. The phone number involved will probably change, but remember it is not Father Ken.

Thank you for your attention, and your continued support.
May God bless,
Craig R. Fraser
